

Viracta Therapeutics to Present at the Solebury Trout Fall Private Company Showcase 2020

PR Newswire, San Diego, October 8, 2020 - Viracta Therapeutics, Inc. (the "Company"), a precision oncology company targeting virus-associated malignancies, today announced that Ivor Royston, MD, President and Chief Executive Officer of Viracta, will present a corporate overview at the Solebury Trout Fall Private Company Showcase on Thursday, October 15, 2020 at 1:00 pm ET.

About Viracta Therapeutics, Inc.

Viracta is a precision oncology company targeting virus-associated malignancies. The Company's proprietary investigational drug, nanatinostat, is currently being evaluated in combination with the antiviral agent valganciclovir as an oral combination therapy in a Phase 2 clinical trial for Epstein-Barr virus (EBV)-positive lymphomas. Viracta is pursuing application of this *kick and kill* approach in other EBV-associated malignancies, such as nasopharyngeal carcinoma and gastric carcinoma, and other viral-related cancers.
